Premium Quality Ingredients, Responsibly Sourced

Thaw & Serve Convenience

Over **6 in 10** consumers report
they are more likely to purchase
a product that claims 'Clean' ingredients.¹

¹ Technomic Healthy Eating Consumer Trend Report, 2020

Packaged for your convenience.

Because your needs differ, so does our packaging. Whether you are serving a group or need the convenience of grab & go, simply choose the packaging that best meets your needs.

Bulk muffins

Choose practical bulk packaging to minimize labor and maximize convenience. Ideal for non-commercial applications like buffets, cafeterias, lodging, catering, senior living and more. Packaged in a variety of flavors, sizes and counts, choose the option that best serves your needs.

THAW AND SERVE CONVENIENCE

84% of non-commercial operators report offering muffins.¹

Individually wrapped muffins

Safely pre-packaged, portable, and ready to eat! Individually wrapped, no contact muffins are ideal for grab & go as well as meals and snacks for healthcare facilities, schools, lodging, sporting events, and more. Simply thaw & serve!

THAW AND SELL CONVENIENCE

56% of operators report buying individually wrapped muffins.¹

 Whole Grain  Smart Snack Compliant

Try our Individually Wrapped Whole Grain Muffins

We believe in delivering simple goodness. We bake cleaner label muffins perfect for snacks, grab-and-go meals, school lunch programs, senior living facilities and more. Our whole grain muffins meet school nutrition meal requirements and include the Whole Grain Council Stamp which guarantees:

- At least 50% of the grain must be whole grain
- Minimum of 8g of whole grain per serving
- At least half a serving of whole grains

Cleaner label and whole grain options are part of the Chef Pierre® “quality committed to safety” initiative directed toward the development of quick and profitable all-day snacking and bakery solutions.

Smart Snack compliant — our whole grain muffins provide versatility in school meal programs.
