

TIPS SHEET

Memorable Pie Crusts

Create a Memorable Presentation with Easy Custom Pie Crusts

- Use a wet knife to make simple designs or scroll patterns instead of straight slits for vents.
- Cookie cutters are also ideal for creating vents that align to special occasions and seasons.

Diamond Crust

Cut crust into diamonds and layer over top of fruit.

Cookie Cutter

Cut shapes out of crust with cookie cutters to create a themed pie

Shapes

Cut shapes out of crust & layer over top of crust.
